- Movie – "Wall – E" with supporting cast: Hal as "Cockroach"

A 2008 American computer-animated science fiction romantic comedy film by Pixar Animation Studios. Although never referred to by name on-screen, Hal was Wall-E's friend. Hal also made a cameo appearance in "Ratatouille."

Hal was named after producer Hal Roach.

Hal and the Kremies he sleeps in references the myth that roaches and Twinkies are the only things that can survive the apocalypse.
